UGS/AAPG Critical Minerals Short Course

In partnership with the Utah Geological Survey, the AAPG University of Utah Student Chapter is providing a critical minerals short course for students and interested parties. Join us for a day of hybrid format guest lectures and in-person workshop.

From fossil fuels to critical minerals: bridging the geology of the energy transition

January 21, 2022
8:30 am - 4 PM (MST)

In-person: Room FASB 388

Virtual: RSVP using the link below

<https://forms.gle/nRXBuSW7H7We7wiR9>

Hosted by Dr. Stephanie Mills
Senior Geologist, Utah Geological Survey
Adjunct Assistant Professor, Geology &
Geophysics
